

TRANSPORT

**By Car**

From the M55 motorway make your way onto the Promenade (clearly sign posted). Go past the Tower and North Pier. Keep going along the Promenade until you spot the Best Western Carlton Hotel which is just after 5th right. We are next door to it on the North side. Pull into the car park (18 spaces)

**Arriving by Train**

We're only a 3 minute taxi ride from the train station so if you have bags with you it's probably worth the £3 it should cost by taxi. If you prefer to walk the shortest way is by Dickson Road - as you leave the platform turn RIGHT and exit the train station via the smaller exit by the parcels office. This brings you onto Dickson Road. Turn right and walk about a mile until you come to the Carlton Hotel. We are next door to it,

**Arriving by Coach**

National Express Coach Services operate to and from Blackpool throughout the year. Travel is available from almost any of their 1500 destinations served within the UK. Further details are available from any National Express Agent or telephone the Enquiry Centre on 08705 808080

**Arriving by Plane at Blackpool Airport**

The airport is about 6 miles away so a taxi will cost about £8

**Arriving by Plane at Manchester Airport**

Follow the sign posts for the M6 and when you get to it head North. Junction 32 of the M6 leads you onto the M55. Follow this right to the end and make your way onto the Promenade (all signposted). Head North past the Tower and North Pier. We are a mile down on the right just after the Best Western Carlton Hotel. Journey takes about an hour.
